INSPIREX

THE PROBLEM

The Challenge

Can't Segment Target Markets

Difficulty segmenting after O/L, A/L, transfers, and professionals

Marketing Misalignment

Marketing efforts aren't aligned with student & parent decision-making

Fragmented Data

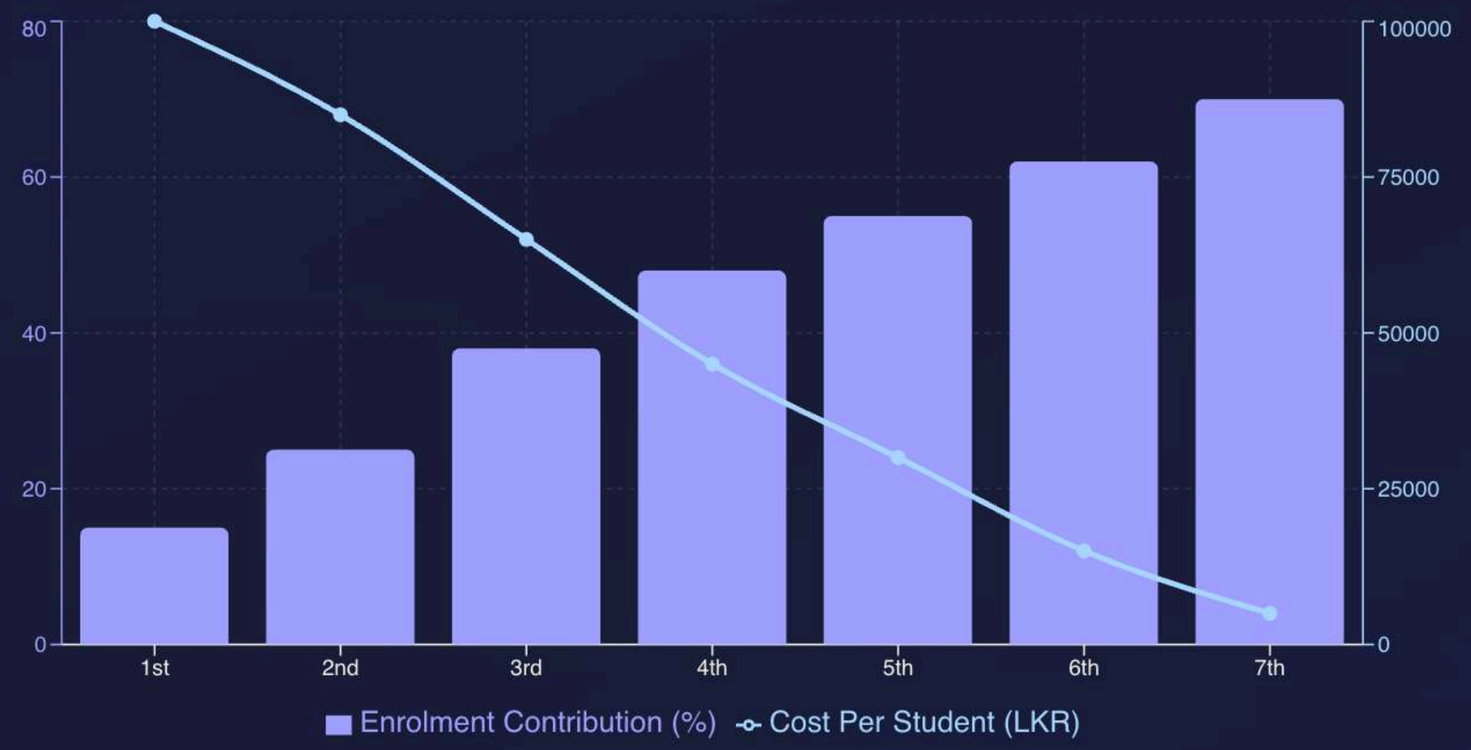

Data scattered across website, WhatsApp, hotlines, and agents

No Unified Funnel

No dashboards to guide budget allocation & enrollment ROI

CASE STUDY

Our Growth Story with APIIT

- Achieved per annum target of 550 students within an inakte
- Reduced cost per student acquisition by 99%

INSPIREX

Manufacturing Industry Case Study

DSI Tyres: A 7-Year Digital Transformation Journey

How InspireX engineered market leadership through strategy, creativity, data, and full-funnel digital transformation.

INSPIREX

OUR STRATEGY

From Challenge to Transformation

The Problem

Traditional and outdated marketing techniques resulted in loss of market share to the competition from international brands, especially amongst **Gen Z & Gen Y**.

The Solution

Complete brand repositioning + modernised **360° marketing strategy** including TVC, Digital, Cinema Ads, ATL, BTL, and Dealer Branding.

The Approach

Execution of **Any Bike One Tyre** campaign in 2018, extending into a sequel in 2020 with **#LongRide #TrendyRide #SafeRide**.

Brand Repositioning • 360 Integrated Campaign • Digital Marketing

Demand cycle forecasting

OUR PROCESS

Our Growth Framework

End-to-End Enrollment Process Optimization

1

Marketing & Channel Integration

- Seamless integration into Facebook, Instagram, Google, TikTok, WhatsApp
- Unified communication across organic and paid campaigns
- Clear brand communication tailored to students

2

CRM Setup & Data Recording

- Implementation of Zoho CRM to centralize student inquiries
- Integration of SalesIQ for live chat and prospect tracking
- Recording all student touchpoints for accurate reporting

3

Data-Driven Decisions

- Setup of Google Analytics & SalesIQ for real-time monitoring
- Understand user journey: time spent, navigation path, referrals
- Collect insights to refine campaigns and communication

4

Counsellors & Website Optimization

- Standardize campus tours, open days, and inquiry touchpoints
- Collect feedback for seamless inquiry to enrollment journey
- Personalize student interactions and improve conversion

5

Revenue Sharing Model

- Our fees align with enrollments; we succeed when you do
- Cost + Revenue Sharing approach
- Shared accountability for sustained enrollment growth

INSPIREX

FinTech Industry

Making Pay&Go a Household Brand and Streamlining Revenue

From Kiosk Brand to Digital Payment Leader

INSPIREX

CREATIVE STRATEGY

The Big Idea

Hero Film Concept

A humorous, metaphorical story of managing multiple 'girlfriends' (payments) with one app.

Audio Branding

A catchy digital jingle (whistle + beat) designed for instant memorability.

Influencer Collaborations

TikTok creators recreated payment scenarios using the custom campaign jingle.

CGI Activation

Valentine's Day hot air balloon CGI activation driving massive engagement.

Gen Z Brand Guide

A distinct campaign logo aligned with a new Gen Z-focused visual identity.

Performance Ads

App download campaigns through Google UAC & Meta Performance Ads.

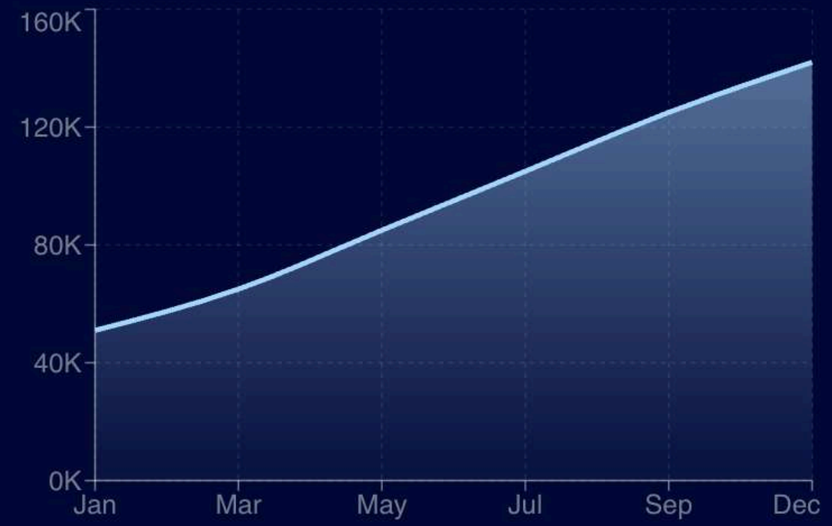

GROWTH METRICS

Our Growth Story with Pay&Go

Revenue Growth (2022-2024)

App User Growth (2024)

Users grew from 51K to 142K — a 178% increase

LKR 309.3M
2023 Revenue

LKR 408.1M
2024 Revenue

CPA of just **$0.15 USD** on Google Ads — 136K+ downloads achieved
